**TEEN DRIVER SAFETY WEEK  
OCTOBER 19 -25, 2014**

Did you know that the most dangerous time  
of a teen driver's life is the  
first 12 months  
of independent driving?

Teens crash most often because they are inexperienced AND  
teens really do learn to drive from watching their parents.

Oct 19-25 is Teen Driver Safety Week  
and I want to remind you parents  
to practice and enforce the  
"5 to Drive" to keep your teen drivers alive...

1. No drinking & driving
2. Buckle Up. Every Trip. Every Time. Front Seat & Back.
3. Put it Down. 1 Text or Call could wreck it all.
4. Stop speeding before it stops you.
5. No more than 1 passenger at a time.

This is Sheriff Glenn Kimbrel, Keeping You and Your Family Safe.
